01 / PROFESSIONAL EXPERIENCE

Airbus Operations

Procurement Apprentice · Cockpit Systems

Toulouse, France / Sep 2026 – Sep 2027 (expected)

- Lead procurement for the On-Site Services (OSS) project to repair components on site and reduce lead times and logistics costs. Chair meetings with the US supplier and engineering, costing and operations teams. Interpret their estimates to help build the business case.
- Analyse contract and operating data to quantify, draft and follow up claims. Submit claims as appropriate, assess incoming claims and report to management. Draft pricing amendments and Contract Validation Forms (CVF), prepare negotiating strategies and take part in negotiations.
- Lead weekly Airbus Supplier Requirements (ASR) reviews with two suppliers and coordinate compliance actions.

Holidu

Sales & Account Management Intern

Bordeaux, France / Aug 2025 – Feb 2026

- Managed 80 property owner accounts. Used KPIs to improve performance, negotiate terms, retain owners and reactivate accounts.
- Led a Google Business Profile project targeting around 1,500 partners. Personally created or configured more than 200 business profiles.
- Processed over 500 KYC cases with internal teams and payment providers.

Airbus

Procurement Intern · Aircraft Seating

Toulouse, France / Jan – Aug 2025

- Drafted amendments with buyers and contract managers. Handled selected supplier matters independently.
- Negotiated alongside an experienced buyer. Prepared and tracked claims, defended commercial positions in complex negotiations and presented outcomes to programme teams.
- Tracked international suppliers' deliveries and prepared performance reviews and meetings for Airbus executives.

AMS Conseil · Student Consultancy

Project Manager · Marketing & Consulting

Bordeaux, France / Oct 2023 – Dec 2024

- Led market research and benchmarking. Scoped and budgeted projects, prospected for clients, managed teams of up to 18 and presented findings to clients.

02 / EDUCATION

KEDGE Business School

Sep 2023 – Jun 2027 · Bordeaux, France

Grande École Programme. Operations, Supply Chain & Innovation (MOSI). Graduation expected in 2027.

Universidad de Buenos Aires (UBA)

Feb – Aug 2026 · Argentina

Exchange semester taught in Spanish, with coursework in strategy, management and negotiation.

Lycée Charles de Gaulle

Sep 2021 – Jun 2023 · Caen, France

Two-year ECG preparatory programme for French business schools (CPGE).
